LASF SCIENCE FAIR Experiment Form

Name _____ Grade _____ Teacher _____

This form will help you follow the **SCIENTIFIC METHOD** as you work on your Science Fair Experiment. Use this form to record what you have done and include it with your display at the Fair. Use additional paper if necessary.

1. **QUESTION:** (What do you want to know?) _____

2. **HYPOTHESIS:** (Make a scientific guess about the way you think your experiment will turn out.) _____

3. **MATERIALS:** (What materials will you need?) _____

4. **METHOD:** (How will you do the experiment?) _____

5. **DATA:** (What are your observations? Be sure to keep good records)

6. **CONCLUSIONS:** (Have you answered your question? What are your conclusions? Do your results support your hypothesis? Did you have any difficulties which make it hard to reach any definite conclusions? Do your results and conclusions suggest other experiments you might do in the future?)
